
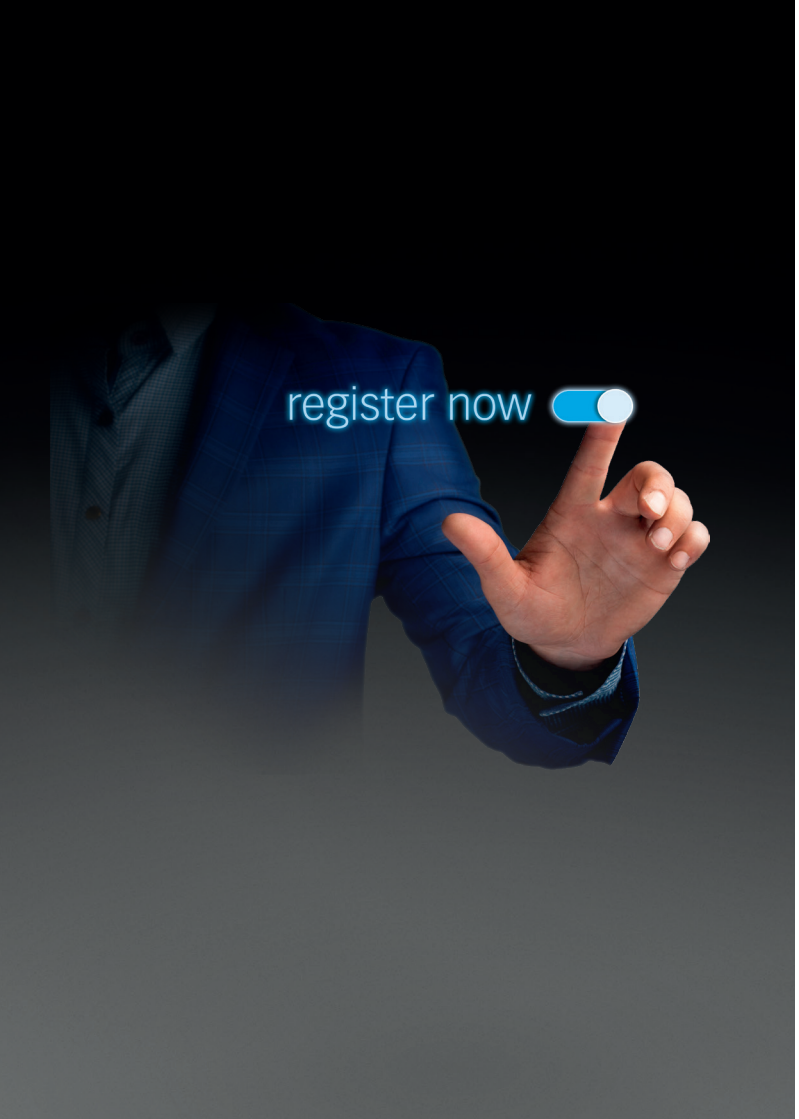
SLIT LAMP WARRANTY

How to activate your 10 year manufacturer warranty

Look closer. See further.

HAAG-STREIT UK



Activating your 10 Year Manufacturer Warranty

Thank you for choosing a Haag-Streit slit lamp for your hospital or clinic. We are proud of the longevity of our slit lamps, which is why we offer a 10 year manufacturer warranty with every purchase. Over the next few pages, you will find instructions on how to register your slit lamp and activate your warranty.

To activate your **10 Year Manufacturer Warranty** the slit lamp must be registered with Haag-Streit's online registration platform.

With this registration you create your slit lamp's own online service record where your Haag-Streit technician lists all service activity, such as the start of the warranty, any preventive maintenance, and the end of the warranty. In case of a warranty claim it provides your Haag-Streit distributor (Haag-Streit UK) with all the relevant information.

How to register your slit lamp

Go to: **https://registration.haag-streit.com**

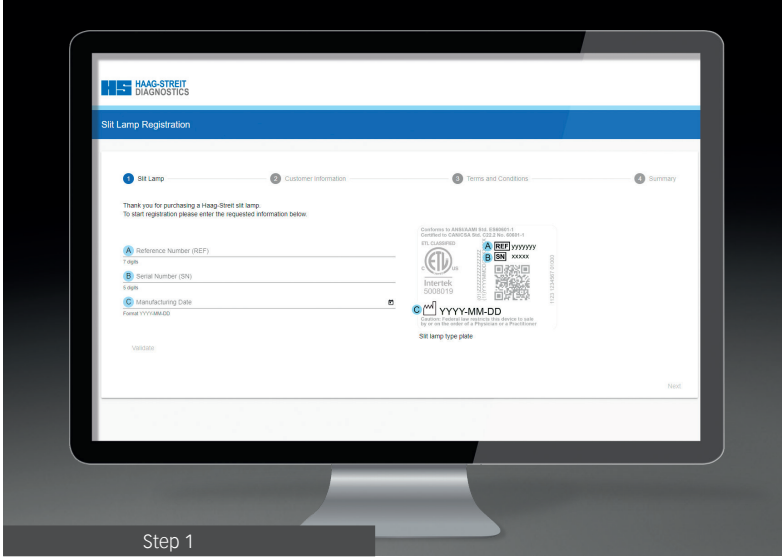
Step 1:
Enter the required slit lamp data; reference number, serial number, and manufacturing date. You can find these on the back of the slit lamp base.

Click validate after completing these three fields.

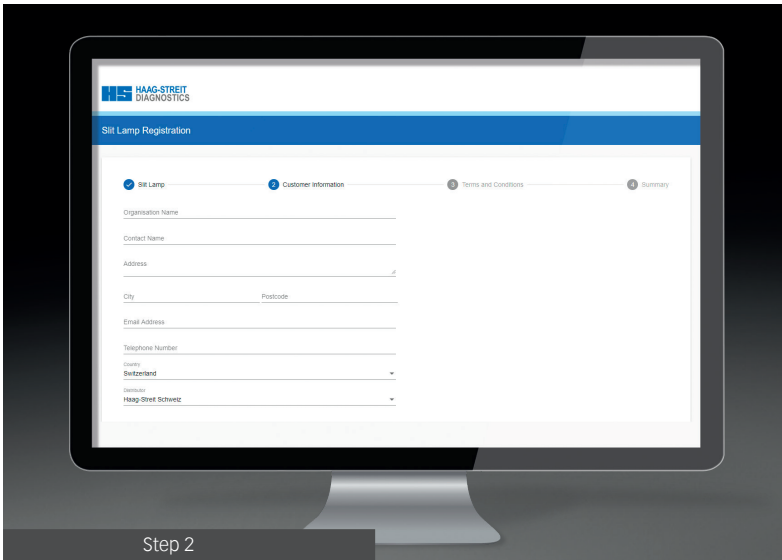
After successful validation click ‘Next’.

Step 2:
Next we require your contact information. Please make sure that you enter a valid email address so we can contact you for service activity.

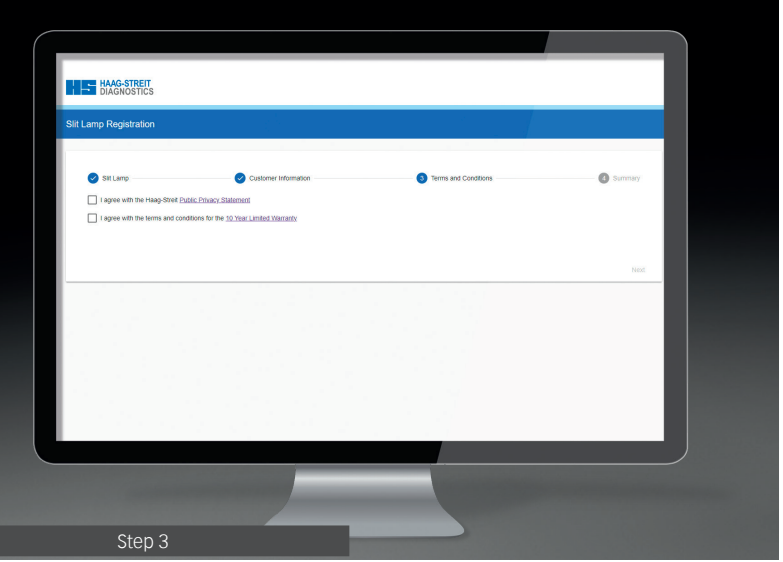
We have provided a list of distributors who are authorised to offer preventive maintenance. Haag-Streit UK is an Authorised Haag-Streit Service Division.



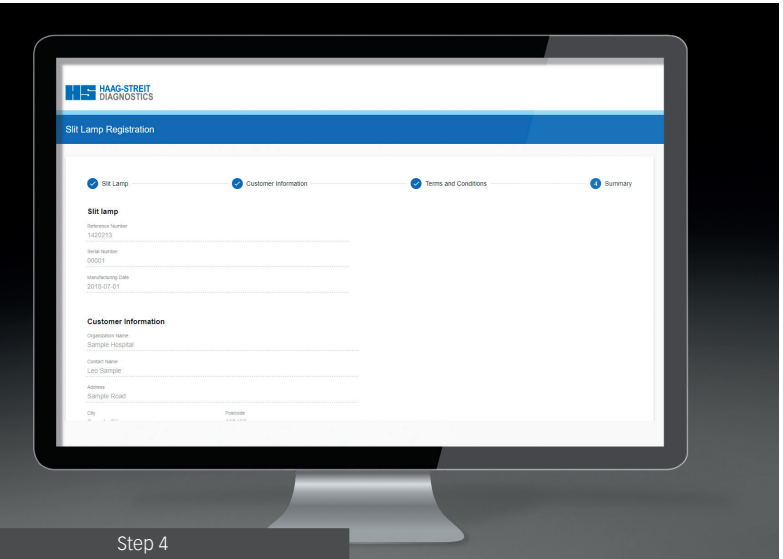
Step 1



Step 2



Step 3



Step 4

Step 3:
Please read the Public Privacy Statement and the terms and conditions for our **10 Year Manufacturer Warranty** carefully.

Step 4:
Check the summary of your registration carefully before finishing the registration. The summary will be sent to the stated email address.
