Sunil Mamtora studied Medicine at Newcastle University, graduating in 2015. Following this, he began training as an Ophthalmologist in the South-West and currently works as an Ophthalmologist at the Bristol Eye Hospital. Sunil balances his clinical commitments with his academic work as an NIHR Academic Clinical Fellow. Sunil was previously the Chair of the Ophthalmologists Training Group (OTG) at the Royal College of ophthalmologists. Sunil is passionate about education, particularly with regards to the slit-lamp and is also an Honorary Clinical Lecturer at the University of Bristol.
